### *Is God Up There?*

*Genesis 1:1*

*“In the beginning God created the heavens and the earth.”*

“God, if you are up there, please show yourself to me.” Have you ever said that to God? Wouldn’t it be great if God just came down and showed himself to us?

God does show himself. In the first line of the Bible, God reveals himself to us. He tells us that he made all things. He made the huge galaxies of the universe. He made the tiniest atoms. He made you and me. His creation demonstrates his power, creativity, wisdom, and tender concern for us.

Take time to notice and to marvel at all God made—the colors of the sky, the light of the sun and stars, the mosaic of leaves outside your window, the beauty of the landscape

within your view. Consider how God made you. Think of how your body works—your eyes and ears, your arms, legs, fingers and toes, your brain.

However, God did not make the world and then stand back as a disinterested observer far removed from it all. He is watching over it all. He continues to care for us by providing for all our needs.

Sadly, we often don’t thank him for what he has done for us. We forget him. For that, God has every right to turn his back on us. Amazingly, he still cares for us. More than that, he came down to us and saved us from our wayward ways. He came down in love in the person of his Son, Jesus, and rescued us. Jesus lived the perfect life of thanks that we should live. On the cross, he died the death we should die for our

sins. He promises a new and perfect world where all who believe in him will live forever in perfect joy.

Is God up there? Yes, he is! And, thankfully, he was willing to come down here to save us so that, one day, we will see him face to face.

God’s blessings to you,  
Pastor Jason Strong
